

CONFIDENTIALITY AND INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

Effective Date: 10/06/2026

Parties

Founder:

Iolo Llewelyn (“Founder”)

and

Participant:

Apardeep Singh Soni (“Participant”)

1. Purpose

The Participant may have access to confidential information and may contribute work, ideas, services, materials, software, designs, documentation, research, concepts, inventions, improvements, and other intellectual property in connection with a project owned and directed by the Founder (“Project”).

The purpose of this Agreement is to protect the Project, its confidential information, and all intellectual property created in connection with it.

2. Confidential Information

The Participant acknowledges that all non-public information relating to the Project is confidential.

Confidential Information includes, without limitation:

- ideas and concepts
- business plans
- software and source code
- designs and artwork
- inventions
- research
- documentation
- technical information
- financial information
- marketing information
- customer information
- communications
- strategies
- future plans
- trade secrets

The Participant shall not disclose, discuss, copy, publish, distribute, or communicate Confidential Information to any third party without the prior written consent of the Founder.

3. Assignment of Intellectual Property

The Participant agrees that all work, contributions, deliverables, inventions, developments, software, source code, documentation, concepts, ideas, designs, artwork, content, research, improvements, discoveries, and intellectual property created, developed, or contributed by the Participant in connection with the Project (“Work Product”) shall belong exclusively to the Founder.

The Participant hereby irrevocably assigns and transfers to the Founder all present and future rights, title, and interest in and to the Work Product.

Such assignment shall take effect immediately upon creation of the Work Product.

4. Waiver of Ownership Rights

The Participant irrevocably waives any claim of ownership, co-ownership, authorship rights, beneficial interest, or proprietary interest in any Work Product created for or contributed to the Project.

The Participant acknowledges that participation in the Project does not create any ownership rights unless expressly granted in a separate written agreement signed by the Founder.

5. Continuing Rights of the Founder

All Work Product shall remain the sole property of the Founder during the Participant’s involvement and after the Participant’s involvement ends.

The Participant shall have no right to:

- reclaim Work Product
- remove Work Product
- require deletion of Work Product
- restrict use of Work Product
- revoke assigned rights
- interfere with continued use of Work Product

The Founder shall have unrestricted rights to use, modify, commercialise, distribute, license, sell, adapt, reproduce, and develop the Work Product indefinitely.

6. Return of Property

Upon request by the Founder or upon termination of participation, the Participant shall immediately:

- return all Project materials
 - return all devices and equipment belonging to the Project
 - surrender all files and documentation
 - provide access credentials under their control
 - permanently delete unauthorised copies
-

7. Portfolio and Public Use Restrictions

The Participant shall not use, display, reproduce, publish, upload, discuss, demonstrate, showcase, or reference any Work Product or Project materials in:

- portfolios
- interviews
- CVs or resumes
- social media
- websites
- presentations
- case studies
- professional profiles

without obtaining the prior written consent of the Founder.

8. Non-Circumvention

The Participant shall not use Confidential Information or Work Product to establish, support, assist, market, develop, or commercialise any competing product, service, project, business opportunity, or venture.

The Participant shall not disclose or transfer Project concepts, technology, or confidential information to any third party.

9. No Partnership or Equity

The Participant acknowledges that participation in the Project does not create:

- an employment relationship
- a partnership
- a joint venture
- shareholder status
- ownership rights
- entitlement to equity

unless expressly agreed in a separate written agreement.

10. Survival

Sections relating to confidentiality, intellectual property ownership, assignment of rights, and restrictions on use of Project materials shall survive indefinitely following termination of participation.

11. Remedies

The Participant acknowledges that a breach of this Agreement may cause serious and irreparable harm.

The Founder shall be entitled to seek:

- injunctive relief
 - damages
 - recovery of legal costs
 - specific performance
 - any other remedy available under law
-

12. Governing Law

This Agreement shall be governed by the laws of England and Wales.
